Dear JAMES,

Thank you for your generous gift of \$1770 to Galaxy Press in support of our 2014 Marine Toys for Tots Literacy Program. With your financial support, and that of many other generous people, Galaxy Press was able to purchase and donate 156,491 quality children's books last fall. These books enabled our Marines and volunteers to fulfill the Christmas holiday dreams, as well as the joy of reading, for thousands of our nation's neediest children. I hope you are pleased to know that you were part of that accomplishment.

Because the Marine Toys for Tots Foundation received only books and no cash contribution from you or from Galaxy Press, we must recognize your contribution as a Gift In Kind donation. I suggest you keep your check or credit card statement to Galaxy Press for your tax records. The Marine Toys for Tots Foundation provided no goods, services or benefits for your gift. The Foundation is recognized by the IRS as a tax-exempt public charity under section 501(c) (3) of the Internal Revenue Code. Contributions of cash and property to the Foundation are deductible on federal income tax returns to the extent provided by federal income tax regulations. Please consult your tax advisor for further assistance.

On behalf of the Toys for Tots Foundation, the U.S. Marine Corps and the many less fortunate children of our nation who experienced the joy of the Christmas holiday season, I thank you for your generous and thoughtful support. Best wishes for a safe, healthy and enjoyable remainder of the year.

Sincerely,
